Financial market information is used in the simulated trading; however, you acknowledge that any trading that you perform through the Services is not real. You also acknowledge that the funds provided to you for demo trading are fictitious and that you have no right to possess those fictitious funds beyond the scope of their use within the Services, and in particular that they may not be used for any actual trading and that you are not entitled to the payment of those funds. Unless expressly agreed otherwise, you will not be paid any remuneration or profits based on the results of your simulated trading, nor will you be required to pay any losses.

1.8. The meaning of the definitions, expressions, and abbreviations used in these GTC can be found in clause 18.

2. SERVICES AND THEIR ORDER

2.1. You can order the Services through the Website by completing the appropriate registration or order form. After registration, we will e-mail you the login details for the Client Section and/or Trading Platform and allow you to access them. 2.2. The Services include, among other things, the Free Trial, FTMO Challenge, and Verification products; these products may differ in the scope of the Services provided (e.g., by analytical tools available to the Customer). With the Free Trial, you may use some of the Services within a limited scope and for a limited period free of charge. Completing the Free Trial does not entitle you to access any other Services. 2.3. All data that you provide to us through the registration or order form, the Client Section, or otherwise must be complete, true, and up to date. You must immediately notify us of any change in your data or update the data in your Client Section. The Customer is responsible for all the provided data being accurate and up to date; the Provider is not obligated to verify the data. 2.4. You acknowledge that if you provide an identification number, tax registration number or other similar information in the registration or order form or in the Client Section, or if you state that you are a legal entity, you will be considered as an entrepreneur (trader) for the purposes of these GTC and when using the Services, and the provisions of these GTC or the applicable law that grant rights to consumers will not apply to you. 2.5. The fee for the FTMO Challenge varies according to the option selected and depends on the amount of the initial capital, the degree of the acceptable risk, the parameters that must be fulfilled so that the conditions of the FTMO Challenge and the subsequent Verification are met, and possibly other configurations. More detailed information on individual options and fees for those options are provided on our Website here. The final fee will be determined based on the option you select when completing the form for ordering the FTMO Challenge. The Provider reserves the right to also provide the Services under individually agreed conditions. All individually agreed conditions shall be determined by the Provider at its own discretion. Individual discounts and other benefits may not be combined, unless expressly stipulated otherwise by the Provider. 2.6. The fee is paid for allowing you to access the FTMO Challenge, or the Services provided under the FTMO Challenge. The Customer is not entitled to a refund of the fee, for example, if the Customer cancels the Customer's Client Section or requests the cancellation by e-mail, if the Customer

terminates the use of the Services or the contract (for example, fails to complete the FTMO Challenge or the Verification), fails to meet the conditions of the FTMO Challenge or the Verification, or violates these GTC. 2.7. If the Customer lodges an unjustifiable complaint regarding the paid fee or disputes the paid fee with the Customer's bank or payment service provider (e.g. through chargeback services, dispute services, or other similar services), on the basis of which an annulment, cancellation or refund of the fee or any part thereof is requested, the Provider is entitled, at its own discretion, to stop providing to the Customer any services and refuse any future provision of any services. 2.8. Your choice of the option of the FTMO Challenge that you select when making an order shall also apply to the subsequent Verification. You will start the subsequent Verification and, possibly, other products related thereto, with the parameters and the same currency that correspond to the option of the FTMO Challenge selected by you. Once you make a selection, it is not possible to change it. If you are ordering a new FTMO Challenge, the restrictions specified in this clause 2.8 shall not apply. 3/15 2.9. The Provider reserves the right to unilaterally change the fees and parameters of the Services at any time, including the parameters for their successful completion. The change does not affect the Services purchased before the change is notified. 2.10. Any data entered in the order form can be checked, corrected, and amended until the binding order of the Services. The order of the Services of your choice is made by submitting the order form. The Provider will immediately confirm the receipt of your order to your e-mail address. In the case of the Free Trial, the order is completed upon the delivery of the confirmation to your e-mail address, whereby the contract is executed. In the case of the FTMO Challenge, the order is completed upon the payment of the fee for the selected option (more on this in clause 3.4), whereby the contract between you and the Provider is executed, the subject of which is the provision of the FTMO Challenge and, if the conditions of the FTMO Challenge are met, the Verification. The contract is concluded in English. We archive the contract in electronic form and do not allow access to it. 2.11. You acknowledge that in order to use our Services, you must obtain the appropriate technical equipment and software, including third-party software (e.g., software for the use of the Trading Platform), at your own risk and expense. The Website is accessible from the most commonly used web browsers. The internet access, purchase of the equipment, and purchase of the web browser and its updates are at your own risk and expense. The Provider does not warrant or guarantee that the Services will be compatible with any specific equipment or software. The Provider does not charge any additional fees for the internet connection. 2.12. You acknowledge that the operators of trading platforms are persons or entities different from the Provider and that their own terms and conditions and privacy policies will apply when you use their services and products. Before sending an order form, you are obligated to read those terms and conditions and privacy policies. 2.13. If the Customer places an unusually large number of orders for the Services within an unreasonably short period of time, the Provider may notify the Customer through the Client Section as a protective precaution to mitigate potentially harmful behaviour of the Customer. If such unreasonable behaviour continuous after such notice, we reserve the right to suspend any further orders of the Services by the Customer. If we identify that the unusual behaviour as per this paragraph relates to the Customer's involvement in Forbidden Trading Practices, we may take respective actions as perceived in Section 5 of this GTC. The Provider reserves the right to determine, at its own discretion, the nature of the behaviour described above and reasonable boundaries for such determination. 3. PAYMENT TERMS 3.1. The amounts of fees for the FTMO Challenge options are in euros. The fee can also be paid in other currencies that are listed on the Website. If you select any other currency than the euro, the amount of the fee for the selected option of the FTMO Challenge shall be converted by our rates and it will automatically display your payment total

in your chosen currency, so you know how much you are paying before you confirm the order. The Customer acknowledges that if the payment is made in a currency other than the one the Customer has chosen on the Website, the amount will be converted according to the current exchange rates valid at the time of payment. 3.2. Service charges are inclusive of all taxes. If the Customer is an entrepreneur (trader), he is obliged to fulfil all his tax obligations in connection with the use of our Services in accordance with applicable law, and in the event of an obligation, he is obliged to pay tax or other fees properly. 3.3. You can pay the fee for the selected option of the FTMO Challenge by a payment card, via a bank transfer, or using other means of payment that the Provider currently offers on the Website. 3.4. In the event of payment by a payment card or via any other express payment method, the payment shall be made immediately. If you select a bank transfer for payment, we will subsequently send you a proforma invoice in electronic form with the amount of the fee for the option of the FTMO Challenge you have chosen on the Website. You undertake to pay the amount within the period specified in the proforma invoice. The fee is considered paid when its full amount is credited to the Provider's account. If you do not 4/15 pay the amount on time, the Provider is entitled to cancel your order. Customer bears all fees charged to Customer by the selected payment service provider (according to the valid pricelist of the payment service provider) in connection with the transaction and the Customer is obliged to ensure that the respective fee for the selected FTMO Challenge is paid in full. 4. CLIENT SECTION AND TRADING PLATFORM 4.1. Only one Client Section is permitted per Customer and all of the Customer's Services must be maintained in the Client Section. 4.2. The total number of FTMO Challenges and Verifications per one Client Section may be limited depending on the total sum of the initial capital amounts of the products ordered by the Customer or on the basis of other parameters. Unless the Provider grants an exception to the Customer, the initial capital amounts may not be transferred between the individual products or mutually combined. You may also not transfer or combine your performance, Service parameters, data, or any other information between the products. 4.3. Access to the Client Section and Trading Platform is protected by login data, which the Customer may not make available or share with any third party. If the Customer has registered as a legal entity, the Customer may allow the use of the Services through the Customer's Client Section to the authorized employees and representatives. The Customer is responsible for all activities that are performed through the Customer's Client Section or Trading Platform. The Provider bears no responsibility, and the Customer is not entitled to any compensation, for any misuse of the Client Section, Trading Platform, or any part of the Services, nor is the Provider responsible for any negative consequences thereof for the Customer, if such misuse occurs for any reasons on the part of the Customer. 4.4. The Customer acknowledges that the Services may not be available around the clock, particularly with respect to maintenance, upgrades, or any other reasons. In particular, the Provider bears no responsibility, and the Customer is not entitled to any compensation, for the unavailability of the Client Section or Trading Platform and for damage or loss of any data or other content that Customer uploads, transfers or saves through the Client Section or Trading Platform. 4.5. The Customer may at any time request the cancellation of the Client Section by sending an e-mail to support@ftmo.com. Sending a request for the cancellation of the Client Section is considered as a request for termination of the contract by the Customer, with the Customer being no longer entitled to use the Services, including the Client Section and Trading Platform. The Provider will immediately confirm the receipt of the request to the Customer by e-mail, whereby the contractual relationship between the Customer and the Provider will be terminated. In such a case, the Customer is not entitled to any refund of the fees already paid or costs otherwise incurred. 5. RULES OF DEMO TRADING 5.1. During the demo trading on the Trading Platform, you may perform any transactions, unless these

constitute forbidden trading strategies or practices within the meaning of clause 5.4. You also agree to follow good market standard rules and practices for trading on financial markets (e.g., risk management rules). Restrictions may also be imposed by the trading conditions of the Trading Platform that you have selected for trading. 5.2. You acknowledge that the Provider has access to information about the demo trades that you perform on the Trading Platform. You grant the Provider your consent to share this information with persons/entities who are in a group with the Provider or who are otherwise affiliated with the Provider, and you grant the Provider and these persons/entities your consent and authorization to handle this information at their own will. You agree that these activities may be performed automatically without any further consent, consultation, or approval on your part being necessary, and that you are not entitled to any remuneration or revenue associated with the use of the data by the Provider. The Provider is aware that you do not provide the Provider with any investment advice or recommendations through your demo trading. You acknowledge that you may suspend your demo trading on the Trading Platform at any time. 5/15 5.3. The Provider bears no responsibility for the information displayed on the Trading Platform, nor for any interruption of, or delay or inaccuracy in the market information displayed through your Client Section. 5.4. FORBIDDEN TRADING PRACTICES. 5.4.1. DURING THE DEMO TRADING, IT IS PROHIBITED TO: (a) KNOWINGLY OR UNKNOWNLY USE TRADING STRATEGIES THAT EXPLOIT ERRORS IN THE SERVICES SUCH AS ERRORS IN DISPLAY OF PRICES OR DELAY IN THEIR UPDATE; (b) PERFORM TRADES USING AN EXTERNAL OR SLOW DATA FEED; (c) PERFORM, ALONE OR IN CONCERT WITH ANY OTHER PERSONS, INCLUDING BETWEEN CONNECTED ACCOUNTS, OR ACCOUNTS HELD WITH DIFFERENT FTMO ENTITIES, TRADES OR COMBINATIONS OF TRADES THE PURPOSE OF WHICH IS TO MANIPULATE TRADING, FOR EXAMPLE BY SIMULTANEOUSLY ENTERING INTO OPPOSITE POSITIONS; (d) PERFORM TRADES IN CONTRADICTION WITH THE TERMS AND CONDITIONS OF THE PROVIDER AND THE TRADING PLATFORM; (e) USE ANY SOFTWARE, ARTIFICIAL INTELLIGENCE, ULTRA-HIGH SPEED, OR MASS DATA ENTRY WHICH MIGHT MANIPULATE, ABUSE, OR GIVE YOU AN UNFAIR ADVANTAGE WHEN USING OUR SYSTEMS OR SERVICES; (f) PERFORM GAP TRADING BY OPENING TRADE(S): (I) WHEN MAJOR GLOBAL NEWS, MACROECONOMIC EVENT OR CORPORATE REPORTS OR EARNINGS ("EVENTS"), THAT MIGHT AFFECT THE RELEVANT FINANCIAL MARKET (I.E. MARKET THAT ALLOWS TRADING OF FINANCIAL INSTRUMENTS THAT MIGHT BE AFFECTED BY THE EVENTS), ARE SCHEDULED; AND (II) 2 HOURS OR LESS BEFORE A RELEVANT FINANCIAL MARKET IS CLOSED FOR 2 HOURS OR LONGER.; OR (g) OTHERWISE PERFORM TRADES IN CONTRADICTION WITH HOW TRADING IS ACTUALLY PERFORMED IN THE FOREX MARKET OR IN ANY OTHER FINANCIAL MARKET, OR IN A WAY THAT ESTABLISHES JUSTIFIED CONCERNS THAT THE PROVIDER MIGHT SUFFER FINANCIAL OR OTHER HARM AS A RESULT OF THE CUSTOMER'S ACTIVITIES (E.G. OVERLEVERAGING, OVEREXPOSURE, ONE-SIDED BETS, ACCOUNT ROLLING). 5.4.2. As our Customer, you should understand and agree that all our Services are for Customer's personal use only, meaning that only you personally can access your FTMO Challenge and Verification accounts and perform trades. For that reason, you should not, and you agree not to, (a) allow access to and trading on your FTMO Challenge and Verification accounts by any third party nor you shall engage or cooperate with any third party in order to have such third party perform trades for you, whether such third party is a private person or a professional; (b) access any third-party FTMO Challenge and Verification accounts, trade on behalf of any third party or perform any account management or similar services, where you agree to trade, operate or manage the FTMO Challenge and Verification accounts on behalf of another user, all whether performed as a professional or otherwise. Please note that if you act or behave in contradiction with the aforesaid, we will consider such action/behaviour as a Forbidden Trading Practice under Section 5.4.

with respective consequences as perceived under this GTC. 5.4.3. Furthermore, Customer shall not exploit the Services by performing trades without applying market standard risk management rules for trading on financial markets, this includes, among others, the following practices (i) opening substantially larger position sizes compared to Customer's other 6/15 trades, whether on this or any other Customer's account, or (ii) opening substantially smaller or larger number of positions compared to Customer's other trades, whether on this or any other Customer's account. The Provider reserves the right to determine, at its own discretion, whether certain trades, practices, strategies, or situations are Forbidden Trading Practices. 5.5. If the Customer engages in any of the Forbidden Trading Practices described in clause 5.4, (i) the Provider may consider it as a failure to meet the conditions of the particular FTMO Challenge or Verification, (ii) the Provider may remove the transactions that violate the prohibition from the Customer's trading history and/or not count their results in the profits and/or losses achieved by the demo trading, (iii) to immediately cancel all Services provided to the Customer and subsequently terminate this contract, or (iv) reduce the offered leverage on products to 1:5 on any or all Customer's accounts. 5.6. In case when some or all Forbidden Trading Practices are executed on one or more FTMO Challenge and Verification accounts of one Customer, or accounts of various Customers, or by combining trading through FTMO Challenge and Verification accounts and FTMO Trader accounts, then the Provider is entitled to cancel all Services and terminate all respective contracts related to any and all Customer's FTMO Challenge and Verification accounts and/or apply other measures in Clause 5.5. The Provider may exercise any and all actions in Clauses 5.5 and 5.6 at its own discretion. 5.7. If any FTMO Trader accounts were used for or were involved in the Forbidden Trading Practices, this may and will constitute a breach of respective terms and conditions for FTMO Trader account with third-party provider and may result in cancellation of all such user accounts and termination of respective agreements by the third-party provider. 5.8. If the Customer engages in any of the practices described in clause 5.4 repeatedly, and the Provider has previously notified the Customer thereof, the Provider may prevent the Customer from accessing all Services or their parts, including access to the Client Section and Trading Platform, without any compensation. In such a case, the Customer is not entitled to a refund of the fees paid. 5.9. The Provider does not bear any responsibility for trading or other investment activities performed by the Customer outside the relationship with the Provider, for example by using data or other information from the Client Section, Trading Platform, or otherwise related to the Services in real trading on financial markets, not even if the Customer uses for such trading the same Trading Platform that the Customer uses for demo trading. 5.10. DEVELOPMENTS IN FINANCIAL MARKETS ARE SUBJECT TO FREQUENT AND ABRUPT CHANGES. TRADING ON FINANCIAL MARKETS MAY NOT BE PROFITABLE AND CAN LEAD TO SIGNIFICANT FINANCIAL LOSSES. ANY PREVIOUS PERFORMANCES AND PROFITS OF THE CUSTOMER'S DEMO TRADING ARE NOT A GUARANTEE OR INDICATION OF ANY FURTHER PERFORMANCE. 6. FTMO CHALLENGE AND VERIFICATION 6.1. After paying the fee for the selected option of the FTMO Challenge, the Customer will receive the relevant login data for the Trading Platform at the e-mail address provided by the Customer or in the Client Section. The Customer activates the FTMO Challenge by opening the first demo trade in the Trading Platform. YOU ACKNOWLEDGE THAT, BY OPENING THE FIRST DEMO TRADE, YOU EXPRESSLY DEMAND THE PROVIDER TO PROVIDE COMPLETE SERVICES. IF YOU ARE A CONSUMER, IT MEANS THE COMPLETION OF SERVICES BEFORE THE EXPIRY OF THE PERIOD FOR WITHDRAWAL FROM THE CONTRACT, WHICH AFFECTS YOUR RIGHT TO WITHDRAW FROM THE CONTRACT, AS SPECIFIED IN MORE DETAIL IN CLAUSE 12. The Provider does not have to evaluate the FTMO Challenge if the Customer has not closed all trades.

6.4. The Customer activates the Verification by opening the first demo trade in the Trading Platform. If the Customer does not activate the Verification within 30 calendar days from the day on which the Customer received the new login data, the Customer's access to the Verification will be suspended. If the above conditions are met, the Provider will evaluate the Verification as successful and will recommend the Customer as a candidate for FTMO Trader program. If during the FTMO Challenge the Customer does not comply with some of the conditions specified in clause 6.2.2. or 6.2.3., the FTMO Challenge will be evaluated as unsuccessful, and the Customer will not be allowed access to the subsequent Verification. In such cases, the Customer's account and Services will be cancelled without refund of fees already paid. 9/15 6.8. Provider recommending Customer as a candidate for the FTMO Trader Program in no way guarantees Customer's acceptance into the FTMO Trader Program.
